

SOLIDARITY WITH THE REFUGEES AND MIGRANTS IN CALAIS

WE STAND IN SOLIDARITY with the refugees and migrants who have gathered in Calais seeking to enter Britain.

They should be treated as human beings, not demonised as a “swarm” (as

David Cameron did) or as “marauding” threats (as Philip Hammond did).

Stand Up to Racism is organising to send food, clothing and other materials to the Calais migrants and refugees on

5 September and 17 October

Please give money or food, toiletries, clothes etc, win support from your union branch or campaign and come to Calais if you can..
